

## NONDISCLOSURE AGREEMENT

In connection with a proposed employment relationship, DoorDash, Inc. ("Company") has allowed you (the individual or entity named below) access, or may allow you access, to business, technical or other information, materials and/or ideas ("Proprietary Information," which term shall include, without limitation, (a) the manner in which any such information may be combined with other information, or synthesized or used by Company and (b) anything you learn or discover as a result of exposure to or analysis of any Proprietary Information).

In consideration of any disclosure and any negotiations concerning the proposed relationship, you agree as follows:

1. You will hold in confidence and will not possess or use (except as required to evaluate the proposed relationship within the U.S.) or disclose any Proprietary Information except information you can document (a) is in the public domain through no fault of yours, (b) was properly known to you, without restriction, prior to disclosure by Company or (c) was properly disclosed to you by another person without restriction. You will not reverse engineer or attempt to derive the composition or underlying information, structure or ideas of any Proprietary Information. The foregoing does not grant you a license in or to any of the Proprietary Information.
2. If you disclose or otherwise provide to Company any information, inventions (whether or not patentable), works of authorship, designs, know-how, ideas, materials, whether or not relating to Company's Proprietary Information (the foregoing, together with all intellectual property rights related thereto, is collectively "Feedback"), then you acknowledge and agree that (i) such Feedback is provided without any expectation that it will be held in confidence or that Company will be in any way restricted with respect to such Feedback (any contrary indication of restrictions outside of this Agreement notwithstanding), and (ii) Company will have (and you hereby grant Company) a perpetual, irrevocable, worldwide, royalty-free, non-exclusive, sublicensable right and license to freely exploit and exercise all Feedback.
3. If you decide not to proceed with the proposed relationship or if asked by Company, you will promptly return all Proprietary Information and all copies, extracts and other objects or items in which Proprietary Information may be contained or embodied.
4. You will promptly notify Company of any unauthorized release, disclosure or use of Proprietary Information.
5. You understand that this Agreement does not obligate Company to disclose any information or negotiate or enter into any agreement or relationship. You will strictly abide by any and all instructions and restrictions provided by Company from time to time with respect to Proprietary Information or Company systems. You will ensure the security of any facilities, machines, accounts, passwords and methods you use to store any Proprietary Information or to access any Company systems and ensure that no other person has or obtains access thereto.
6. The terms of this Agreement will remain in effect with respect to any particular Proprietary Information until you can document that such Proprietary Information falls into one of the exceptions stated in Paragraph 1 above.
7. You acknowledge and agree that due to the unique nature of the Proprietary Information, any breach of this agreement would cause irreparable harm to Company for which damages are not an adequate remedy, and that Company shall therefore be entitled to equitable relief (without being required to post a bond) in addition to all other remedies available at law.

8. Until one year after the later of (i) the date of this Agreement or (ii) the last disclosure of Proprietary Information to you, you will not encourage or solicit any employee or consultant of Company to leave Company for any reason.

9. This Agreement is personal to you, is nonassignable by you, is governed by the internal laws of the State of California and may be modified or waived only in writing signed by both parties. If any provision of this Agreement is found to be unenforceable, such provision will be limited or deleted to the minimum extent necessary so that the remaining terms remain in full force and effect. The prevailing party in any dispute or legal action regarding the subject matter of this Agreement shall be entitled to recover attorneys' fees and costs.
